ROYAL PALACE

Exposing the sensual side of a regal conversation that sparks up a hint of excitement and self-indulgence.

The topic at hand; you ask. An awakened stance on cherishing feminine curves that once were imposed old fashion; restricting opinions. Reintroducing and spotlighting the corset as an empowering attribute for women with softer boning and more comfort centered features; wore in or out of the bedroom this capsule rediscovers luxury and traditional French lingerie adding delicate shiny lace reminiscent of precious jewelry.

Nymph

New Collection Mapalé Lingerie

In times when the world seems overwhelming, we turn to nature to heal. A nymph is a feminine deity considered to be the embodiment of nature and is known for her beauty. This story takes us through the idyllic world of the nymphs presenting us with a fantasy collection with saturated colors and surreal prints. Surrounded by meadows that imitate the wild and featuring out of the ordinary embroideries, prints inspired by winter woods and intricate lace patterns of organic shapes. Getting lost in the woods is now a common practice that allows us to reconnect with mother earth and get us to develop sustainable techniques in the face of a dystopian future.
